Pattern 2: draw the diagonals and medians on the top of this assembly. Help yourself with the pattern and draw the main lines of the appliqués by overlaying their diagonals and medians on those of the background.

Pattern 3: help yourself with the template and applique the circle D on the center of the block. Then, applique the 4 hearts E, made of the same fabrics. On pieces C, apply the 2 hearts E you made with the other fabric. Finish your block by placing the 4 hearts F, symmetrically on the pieces B.
