**« Tuesday Hearts »
2017 activity**

This year, the whole **Quiltmania Editions** team (including the boys) will create 20 "Heart" blocks, in collaboration with quilters from the "Tuesday Quilters Group".

These blocks will be revealed the last Tuesday of each month,

from January to October 2017!

Each block measures 20 x 25 cm (8" x 10"), sewing margins not included.
Regarding background fabrics, make sure you have one or several fabrics
(in total: 70 x 110 cm 25 ½" x 44")

For the rest, it will be an opportunity to use your scraps, to ensure harmony and to play with colors!

Follow us on our website! Technical documents and full size patterns will be released with new Tuesday Hearts.
