Realisation:

Pattern 1: Help yourself with the pattern below and sew together the strips A, B and C.

Marges de couture non comprises
Seam allowances not included

Patterns 2 and 3 : Fold the background rectangle in half in the middle. This mark will help you to align the hearts. Ce repère vous aidera à aligner les cœurs.

Pick the heart 1 up. On its back, center the paper pattern.

Apply some glue on the sewing margin. Fold up this margin gradually on the paper and all around. Lightly notch when you arrive at the heart's hollow.

Iron.

Follow these steps for the 2 hearts 2.

Place the 3 hearts by aligning them on the block background middle. Pin them. Use little invisible stitches all around the hearts to create your appliques. At the back, hollow out the appliques but keep a sewing margin. Then, pull out the papers.

Your block 15 is complete and measures 21.5 x 26.5 cm (8 1/2" x 10 1/2"), sewing margins included. Our colleague Mathilde created it just for you! And it was the first block of her life!
