Block 6

(10" x 10" sewing margins non included)

General points:

The given measures for the background include the $\frac{1}{4}$ " sewing margins, rounded up to $\frac{1}{2}$ " for both.

For the appliqués, add your favorite sewing margin around the patterns.

The measures on the plans are without the seams.

The cutting:

In a background fabric: 1 square A 10 of $\frac{1}{2}$ "

In 2 fabrics, for each: 1 bias of $\frac{3}{4}$ " x $13 \frac{3}{4}$ " for the steams B

20 excess of fabric of your choice: 20 leaves C

In one fabric: 4 leaves D

In another and last fabric: 2 hearts E

9mm large CLOVER fusible bias tape maker ref: 4011 and the 5mm interlining ribbon ref: 4041

CLOVER mini ion 8003EU

BOHIN temporary glue pen ref: 65504

BOHIN chalk mechanical pencil ref: 91473

AURIFIL cotton threads that match with the appliqués

Freezer paper

Realisation:

Pattern 1: With the BOHIN chalk-pen, on the right side of square A, mark the medians with your nail

By transparence, report the pattern to applique by helping yourself with the medians.

Sch 1

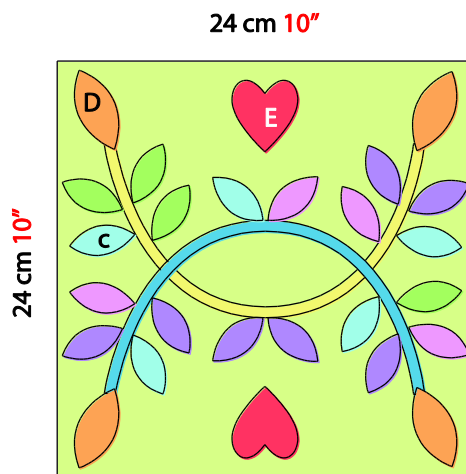

Pattern 2: Make a first steam B with the fusible bias tape maker and its CLOVER interlining ribbon. Applique this steam by conserving a margin of fabric on each extremity. They will be recovered later with a leaf D.

Repeat the same process for the second steam B.

Sch 2

Pattern 3: With the help of the video, applique the 20 leaves C on each side of the steams B. Complete with the 4 leaves D and the 2 hearts E.
