**The Tuesday Flowers**  
Block 1

**General points:**

The measures which are given for cutting out the back of the block and the B stems include the ¼" inch sewing margins, which are rounded up to ½" for both of them.

For the appliqués, the templates of pieces C and D are in the sewing margins.

*The dimensions on the detailed patterns are without the stitches.*

**The cutting:**

In a background fabric: 1 square A (10 ½" side).

In a fabric of your choice: 2 (1 ⅛" x 10") B bands for the stems.

In 7 printed and contrasted fabrics compared to the background and for each: 4 C diamond-shapes (adding ¼ ") all around.

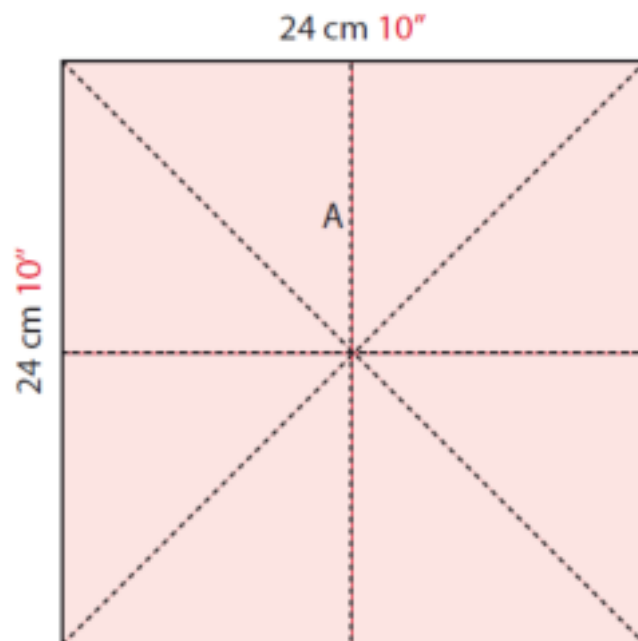

32 C diamond shapes made out of thin cardboard (without the sewing margins) pour the English way of arrangement.

Bohin temporary sticking-pencil (ref.: 65504)

**Realisation:**

Pattern 1:

Fold the square A on both diagonals and both medians.

Sch 1

Pattern 2:

On the diagonal of square A, applique the 2 bands B so that they cross in the middle.

On the back of a first diamond in fabric, place a cardboard diamond C.

Gently put some Bohin glue on the edges of the cardboard diamond.

Fold down the margins of fabric. Repeat the same thing on the 28 C diamonds.

The same way, prepare the 4 D diamonds.

With the help of the pattern and the medians, place all the C diamonds on either sides of both the B stems.

Make a mark to see where they are places. Then, applique them with small invisible points.

Empty the C diamonds, taking out the cardboards. Do the same on the 4 ends of the B stems and the 4 D diamonds by lining up the tips on the diagonals.
