

In collaboration with

The Tuesday Flowers
Block 11
10" x 10" sewing margins non included

General points:

The given measures for the cutting of the squares E and the triangles F include the $\frac{1}{4}$ " sewing margin, rounded up to $\frac{1}{2}$ " for both.

For traditional piecing together enthusiasts and for the pieces A, D and D' (turn round template D), add some sewing margins all around.

The appliqués are made traditionally. Add your favorite sewing margin around the templates.

The measures on the plan do not include the sewing margins.

The cutting:

- With a fabric for the background:

4 pieces A

1 square of $3 \frac{5}{8}$ " side, cut down the diagonals to obtain 4 triangles F

- With a selection of fabrics:

20 leaves C

- With a fabric for the stems:

4 bias of $\frac{1}{2}$ " x $4 \frac{3}{4}$ " (measures of the bias non folded) which will give 4 stems B

- With 4 fabrics for the star:

With the first fabric: 4 pieces D

With the second fabric: 4 pieces D'

With the third fabric: 4 squares E of $2 \frac{3}{16}$ " side

With the fourth fabric: 1 central square E of $2 \frac{3}{16}$ " side, potentially with a selective cutting.

AURIFIL sewing threads that match with the fabrics

Freezer paper

Production:

Pattern 1: On the front of a piece A, report the big lines of the pattern to applique.

Make and applique a stem B with the bias of $\frac{1}{2}$ " x $4 \frac{3}{4}$ ". Let the base stick out so that it gets stitched later on. Applique 5 leaves C on both sides of the stem.

On the small side of the piece A, add a square E (third fabric).

Add a piece D and D' on 2 opposite sides of the square E.

Now make 4 identical units.

x 4

Sch 1

Pattern 2: Put together 2 of these units. Add the central square E at the top (selective cutting). On the opposite side, add a triangle F. With the help of the pattern, add the last 2 units.
 Complete by adding the last triangles F.

Sch 2

Pattern 3: Here is block 11, it's your turn to play!
