The Tuesday Flowers

Block 16

24 x 24 cm **10" x 10"** sewing margins non included

General points:

The given measures for cutting square A, stems and base include the $\frac{1}{4}$ " sewing margins, rounded up to $\frac{1}{2}$ " for both. For the appliqués, add your favorite sewing margin.

Patterns are given without the sewing margins.

In the explanations beneath and in the video, flowers are made in a reverse appliqué technique.

You choose the way you prefer.

The cutting:

- With a background fabric:

1 square A of 10 $\frac{1}{2}$ "

- With each of two fabrics for stems :

1 bias of **3/4" x 14"**

- With an assortment of fabrics for leaves:

a total of 20 leaves by helping you with the patterns

- With a fabric for the base :

1 rectangle of **1" x 4 $\frac{1}{2}$ "**

- With an assortment of fabrics for flowers :

3 flower buds,

3 sepals,

1 circle R1, R2, R3 and R4 (with different fabrics) OR if you want to use the reverse

appliqué technique: 1 circle R1 and 3 squares of **2 $\frac{3}{8}$ "** (in different fabrics)

CLOVER fusible bias tape maker 9mm ref: 4011 and the 5 mm interlining ribbon ref: 4041

BOHIN temporary glue pen ref 65504

BOHIN chalk pen: 3 leads R N°91472

BOHIN needle for appliqué n° 10 ref 4971

AURIFIL 100% cotton threads which match the fabrics

CLOVER mini ion 8003EU

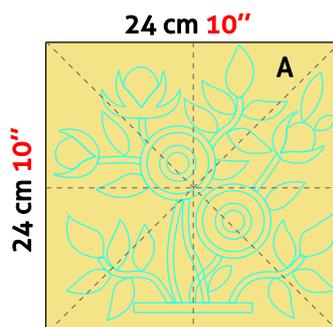

Freezer paper

Realisation:

Pattern 1 :

Fold the square A on both its diagonals and both its medians.

On the front of the square, report the main lines of the pattern with the PDF file.

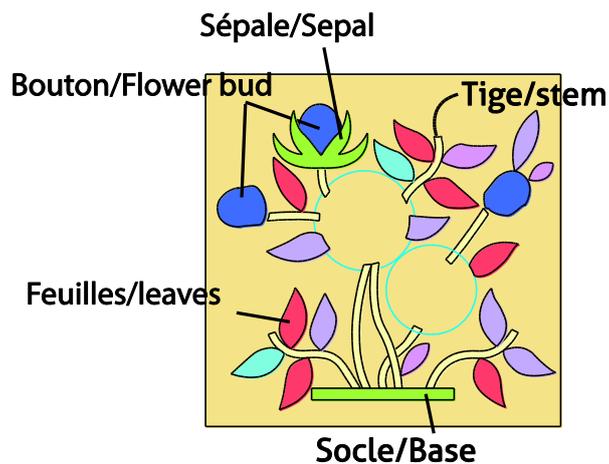

Sch 1

Pattern 2 :

Make the 2 bias of stems with the CLOVER fusible bias tape maker and the interlining ribbon.

According to your favorite method, applique in place and by following the order of the templates: stems, leaves, flower buds and their sepals and finally the base.

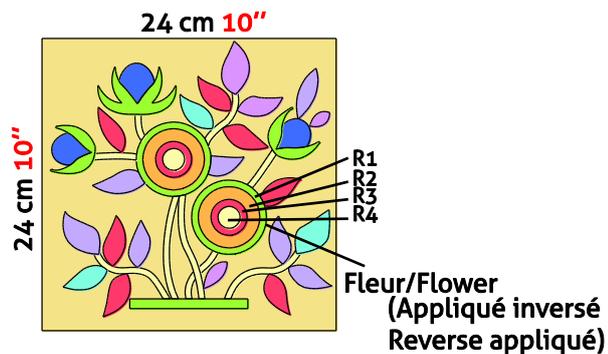

Sch 2

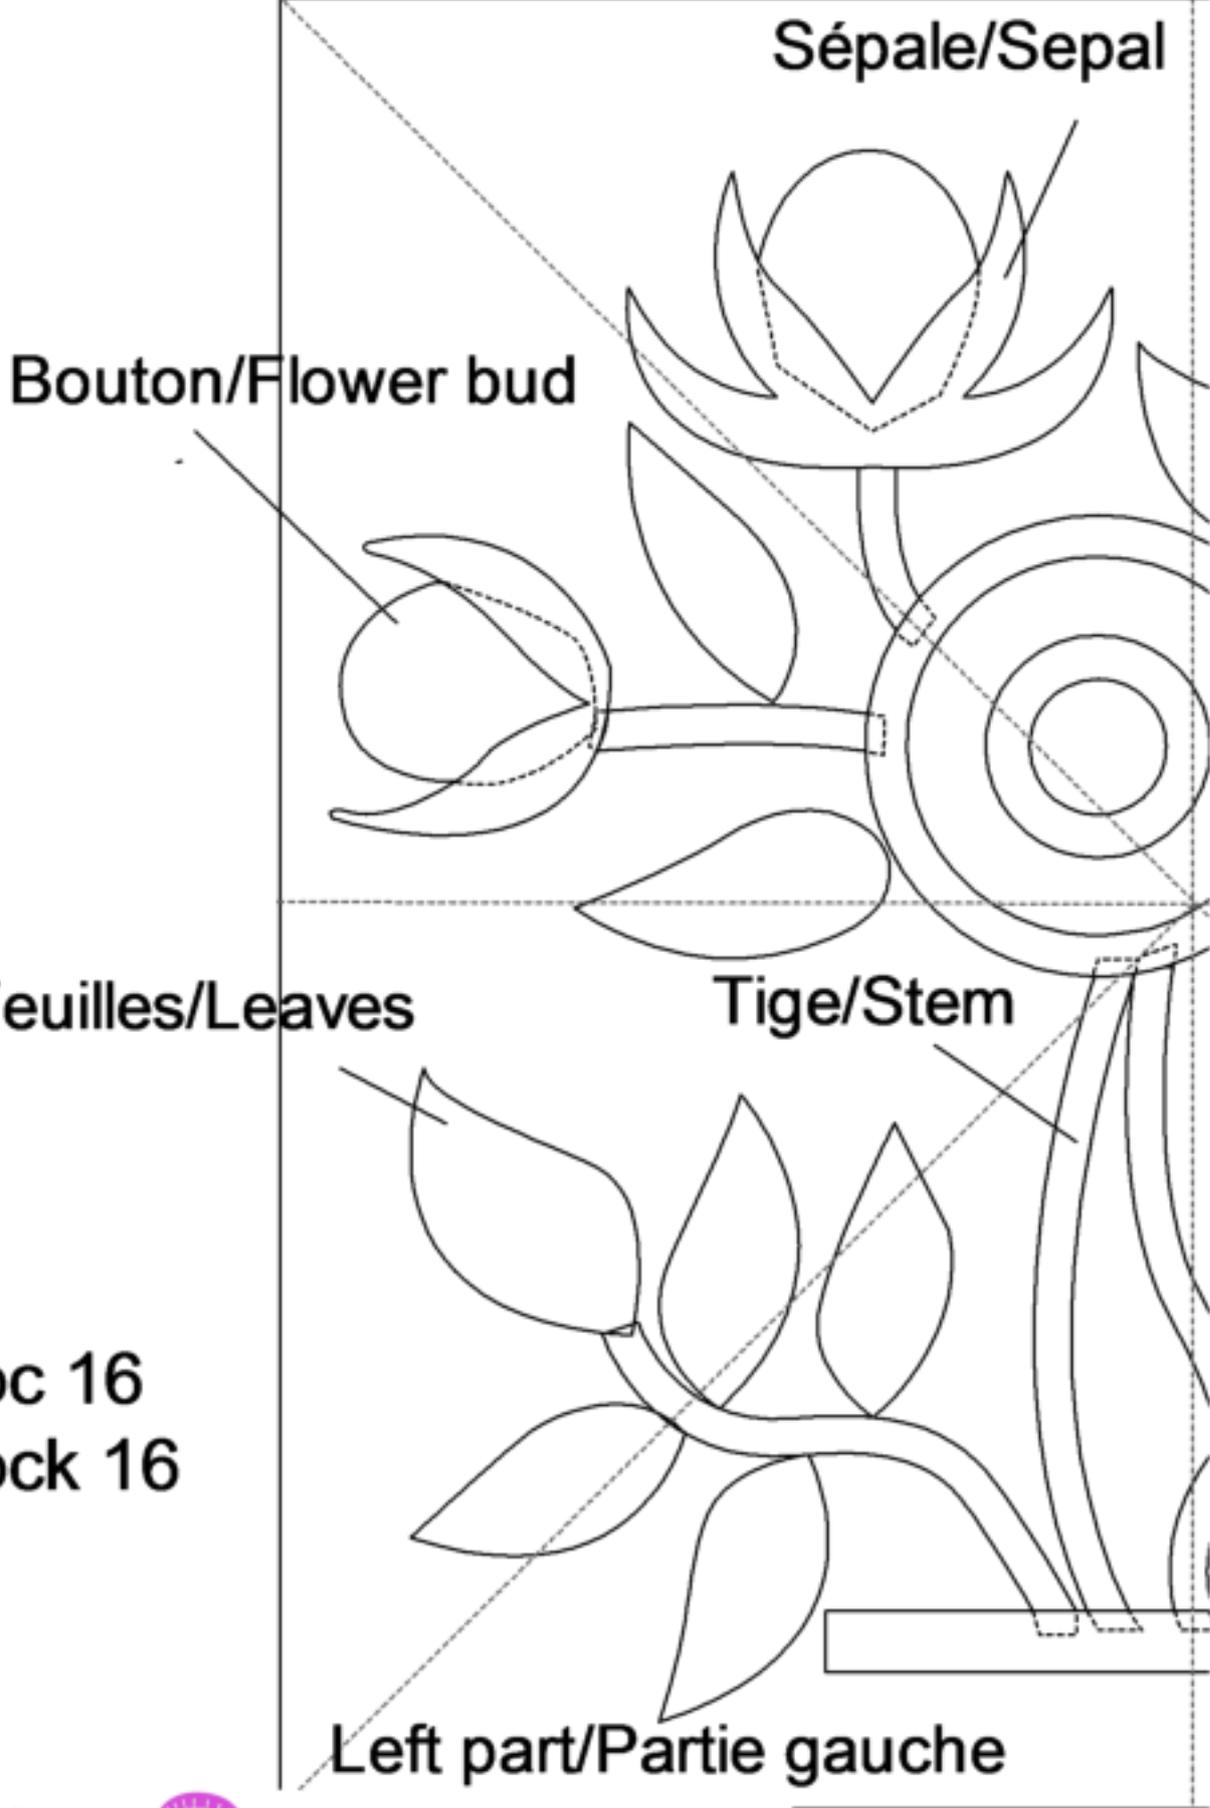

Pattern 3:

For each flower, applique circle R1 in place. If you use traditional applique technique, keep doing it and add circles R2, R3 and R4 by centering them.

If you want to use reverse appliqué technique: watch the video and use the 3 squares of **2 3/8"**.
