## The Tuesday Flowers

Block 5

(10" x 10" sewing margins non included)

### General points:

The given measures for cutting the background include the  $\frac{1}{4}$ " sewing margins, rounded up to  $\frac{1}{2}$ " for both.

For the appliqués, add your favorite sewing margins round the templates.

*The measures on the illustrated plans are in the seams.*

### The cutting:

In a background fabric: 4 squares A of 5  $\frac{1}{2}$ " side

In a second and third fabric, for each: 1 band of  $\frac{3}{4}$ " x 8" which will give the stems B

In a fourth and fifth fabric, for each: 2 pieces C (corollas)

In a sixth and seventh fabric, for each: 2 pieces D (center of the flowers)

In fabric 8: 8 semi-circles E

In a fabric 9 : 4 triangles F et 4 semi-circle E

In a fabric 10 and 11, for each: 2 semi-circles E

In a fabric 12 : 4 triangles F

CLOVER fusible bias tape maker  $\frac{1}{2}$ " large ref: 4011 and the  $\frac{1}{4}$ " interlining ribbon 5mm ref:4041

CLOVER mini ion 8003EU

Bohin temporary glue pen ref 65504

Freezer paper for the appliqués

### Realisation:

Pattern 1: For one « unit 1 », draw the median with the erasable Clover pen on the right side of a square A.

By transparence, report the pattern to applique by placing it in the middle on the median.

Sch 1

Patterns 2 and 3: With the help of the pattern for the colours, make a stem B (fabric 2) with the fusible bias tape maker and the interlining ribbon (Clover). Applique this stem by placing and conserving some a margin of fabric on each extremity. The upper extremity will be covered by the corolla C and the lower extremity will be visible.

Then applique the corolla C (fabric 4) and the D center of the flower (fabric 6). Add the semi-circle E (fabrics 9 and 10).

On the 2 triangles F (fabric 12), applique a semi-rond E (fabric 8). Applique these two assemblies on the lowers angles og the unit. Cut the excess of fabric under the triangles F. Make a second « unit 1 » the same.

Pattern 4:

With the help of the pattern, make 2 same « units 2 » by respecting the position of the colours.

Pattern 5: Reconstitute the block on 2 lines by helping yourself with the patterns for the display of the units. Sew these 2 lines together.

Seam allowances not included
