**The Tuesday Flowers
Block 7
(10" x 10" sewing margins non included)**

General points

The given measures for the background block include the ¼" sewing margins, rounded up to ½" for both.

For the appliques, add you favorite sewing margin around the templates.

I personally applique freeboard flowers without sewing margins, but I line them with a double sided fusible bias tape maker.

The diagram measurements do not include any seam allowance

Freezer paper

Cutting

With a fabric for the background: 1 square A of 10 ½"

With 2 different fabrics for the central star: for each, four H diamond shapes

With 1 fabric for the stems: 4 bias E of 7 /16" x 8" (measures of the bias non folded)

With 4 fabrics for the flowers: for each, 8 petals F which you will line with a double sided fusible bias tape maker

With 3 to 4 green fabrics: 4 leaves B, 4 leaves C and 4 leaves D

With 1 fabric for the center of the flowers: 4 circles G

Realisation

Pattern 1:

Mark the medians of the square A. By transparence or with the transfer sheet and the BOHIN felt tip, report the pattern to applique by aligning it with the medians and placing it in the middle.

Pattern 2:

Applique the leaves B, C and D.

Make each one of these four stems E with the BOHIN fusible bias tape maker and the CLOVER heat activated ribbon. Applique these stems by keeping a sewing margins on each side. These will either be covered with the petals F or the central star.

For each flower, applique 8 identical petals F and a circle G.

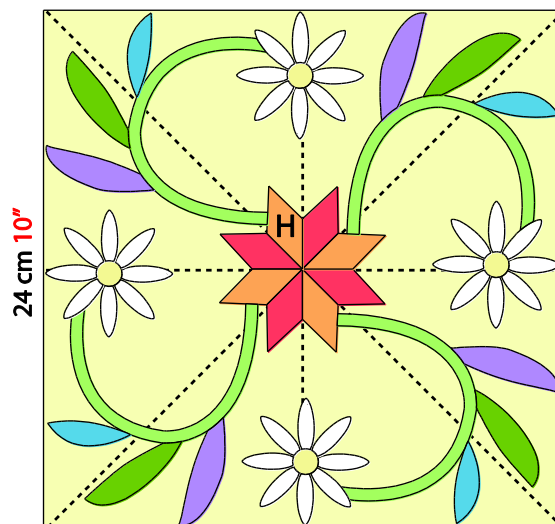

Sch 2

Pattern 3:

For the central star, put together each H diamond shape on a template H of freezer paper or very thin cardboard. With a Whipstitch, sew together these 8 diamond shapes by alternating the colors. Applique the star in the middle of the square A. Empty the back of the star to take out the freezer paper
