Realisation:

Pattern 1: On the right side of the square A, draw the sewing margin of 7 mm ($\frac{1}{4}$ ") all around the square.

You will obtain a square of 20 cm (8") side.

Draw a second "margin" 5 mm ($\frac{3}{16}$ ") inside this new drawing square. You will obtain a square of 19 cm ($7\frac{5}{8}$ ") side. This second drawing square will help you to place your hearts.

Sew together the 4 squares B to create a line. Sew this line on the top of square A.

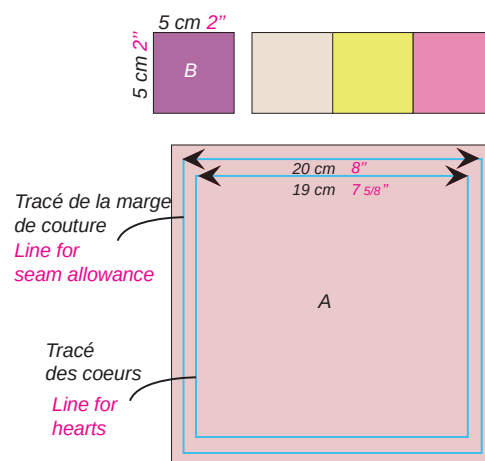

Schéma 1

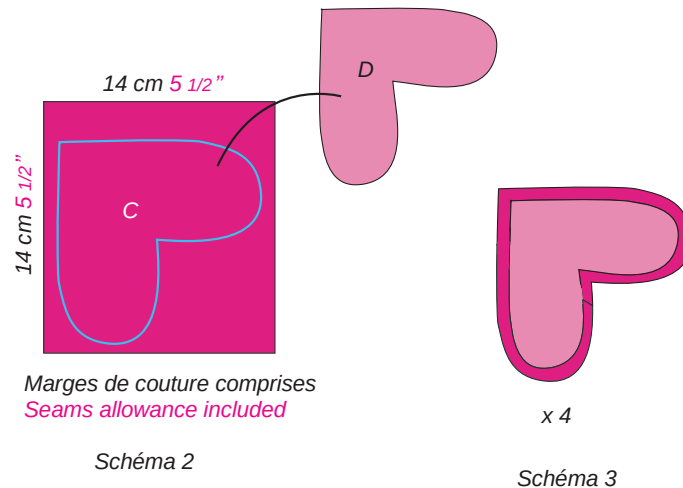

Patterns 2 & 3: On a fuchsia square of 14 cm ($5\frac{1}{2}$ ") side, center a heart C pattern and draw the heart C.

On the backside of a heart D, place the cardboard pattern D. Fold the sewing margin on the cardboard with the glue stick.

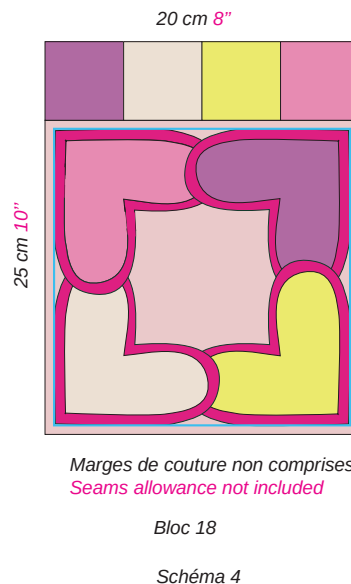

Applique the heart D at the center of the heart C drawing. Scoop out the heart D and remove the pattern.

Cut all around the heart C by adding a sewing margin. On the backside, place a cardboard pattern C. Fold the sewing margins with an iron. The fold has to be visible. Remove softly the pattern.

Do the same to create the 3 other hearts "group".

Pattern 4: On the right side of the square A, place the 4 groups of hearts by helping yourself with the pattern. Applique it using fell stitches.

The block 18 is complete and measures 21.5 x 26.5 cm (8 1/2" x 10 1/2") sewing margins included.

Carine and her 2 beloved daughters made this block with lots of love for you.
