Please, read all the instructions before creating your block.

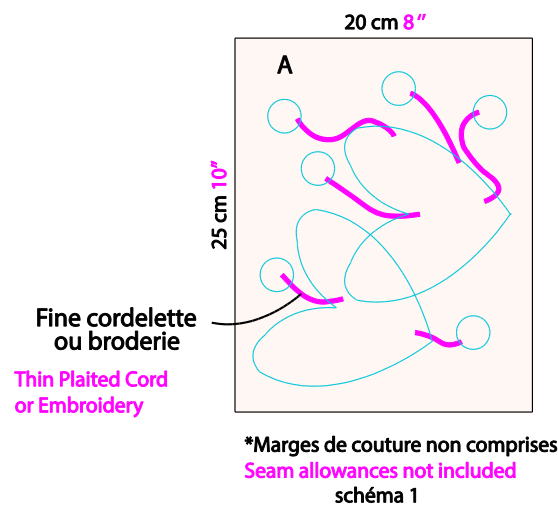

Cutting:

- In a background fabric of your choice:
 - 1 rectangle A of 21.5 x 26.5 cm (8 ½" x 10 ½")
- With scraps from an assortment of light or dark fabrics (in this case pink):
2 hearts B (add a sewing margin all around) and 6 circles C with a diameter of 4 cm (1 ¼")
- A thin cord for the « stems » of the circles C : 50 cm (1/2 yd), or use a « coton a broder » of your choice if you prefer to embroider
- 6 circles made of paper/thin cardboard with a diameter of 2.5 cm (3/4")

Realisation:

Pattern 1 :

On rectangle A, report the main lines of the pattern to applique by centering them. Cut the cord into 6 "stems" by conserving the right length for each one. Make sure you have a little bit more length in order to hide their ends under the appliqué. Put these "stems" in place and fix them by using invisible stitches.

Pattern 2 :

Applique the 2 hearts B.

For each circles C, use gathering thread at 3 mm (1/8") from the edge of a fabric circle (with a diameter of 4 cm (1 ¼"))

Place and center the paper template, with a diameter of 2.5 cm (3/4"), on the back of this fabric circle. Refold the fabric on the paper template by pulling the gathering thread. Applique in place the circle. Hollow out at the back to remove the paper template.
