Assembly :

Diagram 1: Mark one 12.5 x 12.5 cm (5" x 5") square on the right side of one A square. Using a light source, transfer the motif outlines.

Work the appliqués using the traditional method as follows: pin or baste piece 1 in place on the background square, turning your seam allowance to the back.

Appliqué it with small invisible stitches on the outer edge then in the same way work reverse appliqué on the inner edge. Add piece 2 of the same fabric.

Recut the appliqué square to 14 x 14 cm (5½" x 5½"), seam allowances included. Following the same instructions make four appliqué A squares.

* Marges de couture comprises
* Seam allowances included

Diagram 2: Stitch the appliqué A squares together in twos and join them to make the block.
