

Block 67 – Swan Amity Sheridan

General instructions :

The measurements given for cutting include seam allowances of 7 mm ($\frac{1}{4}$ "), rounded to 15 mm ($\frac{1}{2}$ ") for two seams. Make any necessary adjustments.

The measurements in the explanatory diagrams do not include seam allowances, except for those diagrams that specify "*Seam allowances included".

For those using the traditional cutting method, note that you will find:

- the templates on the pattern; add seam allowances to them
- the quantities in **bold** in the Cutting section

Cutting :

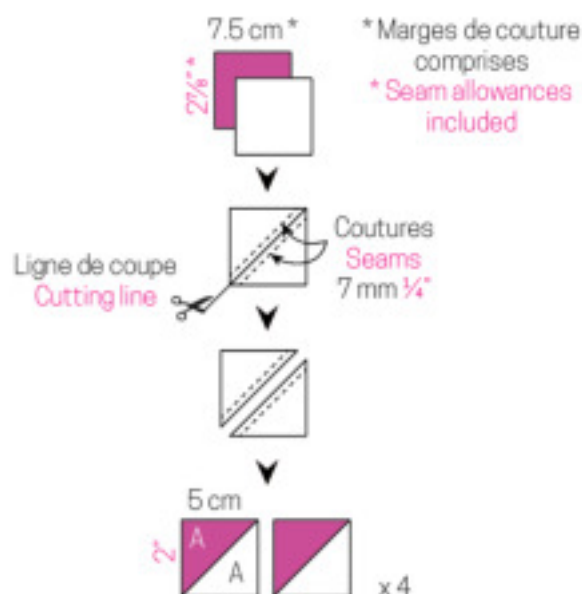

- From one white fabric for the background, cut the following:
 - two 7.5 cm ($2\frac{7}{8}$ ") squares, to yield **four A triangles**
 - three 6.5 cm ($2\frac{1}{2}$ ") B squares
 - two 6.5 x 11.5 cm ($2\frac{1}{2}$ " x $4\frac{1}{2}$ ") C rectangles
 - one 6.5 x 16.5 cm ($2\frac{1}{2}$ " x $6\frac{1}{2}$ ") D rectangle
 - one 6.5 x 21.5 cm ($2\frac{1}{2}$ " x $8\frac{1}{2}$ ") E rectangle
- From one pink fabric:
 - two 7.5 cm ($2\frac{7}{8}$ ") squares, to yield **four A triangles**
 - six 6.5 cm ($2\frac{1}{2}$ ") B squares

Assembly :

Diagram 1: With right sides together, layer two contrasting squares. On the wrong side of one of the squares, mark a diagonal cutting line. Stitch in parallel lines on both sides of this line, at 7 mm ($\frac{1}{4}$ "). Cut along the entire length of the cutting line.

Turn to the right side and press.

Repeat these steps to obtain four bicolour squares in total.

QUILTmania

Diagram 2: Stitch together the bicolour squares, the B squares, and the C and D rectangles in four columns, referring to the diagram to position and orient each unit. Add the E rectangle to the left side. Complete with Row 1, on top, composed of the last bicolour square, two B squares and the remaining C rectangle.
