Sélectionnez ensuite **le format papier A4**.

Dans les options de mise à l'échelle, **saisissez 100 %** ou sélectionner **l'option taille réelle**.

N'adaptez jamais à la taille car cela déformera l'échelle de vos gabarits.

Lorsque vous êtes prêt, cliquez sur Imprimer.

*Click on **File > Print***

or on an icon to get to the print parameters of your templates.

*Then choose **A4 paper size**.*

*In the scaling options, **enter 100%** or choose **the actual-size option**.*

Do not adjust to fit the size as that will distort the scale of your templates.

When ready, click Print.
