

## My Lucky Star

Designed and made by Béatrice Airaud Création  
Measurements: 3 1/2" x 3 1/2" (9 x 9 cm)

### Materials :

- 3 fabrics: 2 for fussy cutting and 1 for the background
- 1 velvet fabric measuring 4 3/4" x 4 3/4" (12 x 12 cm)
- 1 lining fabric measuring 4" x 4" (10 x 10 cm)
- Wadding
- 1 small square of lace measuring approximately 2 3/8" x 2 3/8" (6 x 6 cm)
- 1 square floral fabric scrap
- 1 button
- Cotton embroidery thread, fun string
- A small bow
- Glue stick
- Freezer paper
- Iron

### Assembly (see video for detailed information):

- Trace templates A, B, C and C', four times, on the back side (non-waxy side) of the Freezer Paper. Cut out the shapes.
- From your first fabric choose the motif that you would like for your fussy cutting.
- Place some glue on the back side of one A template and then place it on the motif you have chosen for fussy cutting. The waxy side should be facing towards you.
- Cut around the shape, leaving a seam allowance of 5 mm all around.
- Repeat the same steps with your second fussy cutting fabric but with the B template. Then again with your background fabric for the C and C' templates.
- Iron over the seam allowances toward the waxy side of the Freezer Paper.
- Using a running stitch, attach pieces C and C' to either side of piece B. Then add piece A.
- Complete this assembly 4 times in total.
- Make sure you have chosen the same motifs to fussy cut per fabric.
- Using a running stitch, assemble each quarter section in twos, then the entire star.
- Remove the Freezer Paper templates, then iron.
- Place the star in the center of the velvet square and then applique.
- Sew a feather stitch all around the outside border, adding other fun string and beads,

according to your taste. You can even quilt this project if you like.

- Cut the velvet square to **4" x 4"** (10 x 10 cm).
- Line up the velvet square, and the lining, right sides together. Sew them together leaving a 5 mm allowance all around.
- Clip the corners. Cut a slit on the back of the lining. Turn the project inside out.
- Fill with wadding.
- Stitch the slit closed. Cover it with lace, the floral fabric scrap and the button.
- Attach a small bow to one end.
- Now all you have to do is follow your lucky star!
