

## Step 5

This is the last step of your project: cut out the vase and the foliage and appliqué them in the center of the background.

Position the Rabbits, the Doves, the Hearts, and the small, embroidered Circles. You may embroider their borders if you wish.

To finish your wall panel, stitch a wide binding all around it. If you haven't done it yet, you may now quilt your creation.

# Countdown to Christmas...

The entire Quiltmania team wishes you a Merry Christmas!
